GENERAL INFORMATION

Persons or concerns interested in being added to the County of Putnam's vendor mailing list must file this application with the Purchasing Department.

Upon receipt of this form, the Purchasing Department will send a detailed item list for each commodity category selected. The supplier must indicate the specific items it can supply and return these lists to the County of Putnam Purchasing Department.

After Placement on the bidder's mailing list, a supplier's failure to respond (submission of bid, or notice in writing that you are unable to bid on a particular transaction but wish to remain on the active bidder's mailing list for that particular item) to Invitations for Bids, Requests for Proposals or Requests for Quotations will be understood by the County of Putnam to indicate lack of interest and concurrence in the removal of the supplier's name from the bidder's mailing list for the items concerned.

Please notify the County of Putnam Purchasing Department immediately of any changes. This includes changes of name, address or telephone numbers, changes in personnel listed on this application, and addition or deletion of items you are interested in providing.

DEFINITIONS RELATED TO ITEM 8:

Owners: Those persons or concerns having a financial interest of five per cent (5%) or greater.

Affiliates: Business concerns are affiliates of each other when either directly or indirectly (a) one concern controls or has the power to control the other, or (b) a third party controls or has the power to control both. In determining whether concerns are independently owned and operated and whether or not affiliation exists, consideration is given to all appropriate factors including common ownership, common management, and contractual relationship.

COMMODITY LIST

Please place a checkmark by the items you are interested in supplying.
