

The Putnam County Parks and Recreation Department is in the process of constructing two full sized Volleyball court at the Edgar Johnson Senior Center.

These courts will be sand-filled and full size for regulation play.

Our goal is to get enough participation to form leagues and begin a semi-competitive league based on age groups.

We need your help though. We need you to come to the office and fill out a registration form with some basic information so we can begin the process of making up some games and schedules.

With your help, we can offer a whole new sports program to the community.

If you have any questions please call us or come by the office at the Theobold Sports Complex.
